FAQ

Skagit Valley YMCA: Transitioning to the new building! 2/8/19

WHEN IS THE NEW BUILDING OPENING?

We will be opening soon, but we do not have a final date yet. We're in the final stages of complying with federal, state, and local codes. We hope to have more information soon and are working to get you into the new facility soon!

In the meantime, we have reopened Fulton Street and are adding additional programming starting next week. Please find the pool and group fitness class schedules on our website.

Plus, our incredible Fitness Instructors have put together a virtual fitness challenge just for you that will be launching on our website tomorrow! This is a fun challenge that you can do from home that includes tutorial videos with modifications.

WHAT IS STILL OPEN AT FULTON STREET DURING THE TRANSITION?

Basketball and the swim teams will continue as they are currently scheduled. Plus, we will have a limited schedule for all Y members including the pool, the gym for walking/running, and a limited amount of cardio and strength equipment.

WHAT WILL THE HOURS OF THE NEW BUILDING BE?

Mondays-Saturdays: 5am-10pm*

Sundays: 11am-6pm*

*Pool hours will differ from facility hours

CAN I GET A REFUND SINCE THE NEW BUILDING IS NOT OPEN YET?

We understand that you are feeling the loss of value having anticipated an earlier opening. We apologize for the inconvenience and want to let you know that we hear you and value you as a member.

Although we have not yet determined a solution just yet, we are looking at all of our options. We will, in the days ahead, be sending out a survey to ask you how we can best adjust for this loss of value. We are working on the survey now and will send it via email, plus, paper copies will be available here at our Welcome Center.

WHY WON'T THE NEW BUILDING BE OPEN TO EVERYONE RIGHT AWAY?

We will have a rolling opening date in order to have a smooth opening. Our Legacy members have supported our Y for a number of years and have helped us make our new facility a reality, and as a thank you, we are giving these members early access to the new building as we are getting all of our new equipment delivered. Our Charter members have also paid for early access to the new building. If you would like to upgrade your membership to a Charter membership, I am happy to help you with that so you can access the new building earlier.

WHAT FITNESS CLASSES WILL BE OFFERED IN THE NEW BUILDING?

We will continue to offer the same fitness classes that we currently offer. However, in the new building, we will be able to offer additional class times in the mornings and afternoons to better serve the needs of our members.

IS THE NEW BUILDING ADA COMPLIANT?

Yes! It is very important to us that we are able to serve all members of the community and ensuring that our facility is ADA compliant is key to making that possible.

meantime, please check out our Skagit Valley Family YMCA Facebook page for a virtual tour of the new facility.

WHEN WILL THE NEXT TOUR OF THE NEW FACILITY BE?

Once we open the building to Legacy members, we will be able to offer tours. In the meantime, please check out our Skagit Valley Family YMCA Facebook page for a virtual tour of the new facility.

CAN I RENT OUT THE POOL/EVENTS ROOM FOR A PRIVATE PARTY?

This is something that we are looking to possibly add in the future, but we are not able to offer at this time (or in the near future).

WHEN WILL 2019 SPRING SWIM LESSONS BEGIN?

Saturday swim lessons will begin on Saturday, February 23th.

WILL THE NEW BUILDING BE OPEN IN TIME FOR SWIM LESSONS?

We are hopeful that the building will be open in time. However, we do not have a definitive opening date since we are in the final stages of complying with federal, state, and local codes.
